What do you think about this request from Suffolk County?

Hi Julianne,

Pursuant to our telephone conversation approximately a month ago, could you please send me a letter stating that, at the conclusion of the investigation regarding the breach of protocol by Annie Dookhan, none of the breaches involve Suffolk County cases? That way, we can produce it to defense counsel as part of the drug certificate for discovery? Suffolk County is getting hit hard with outrageous discovery requests concerning the DHP lab.

Many thanks again,

Macy
